**BHF/MHG/Qualsa Golf Challenge 2009  
(Circular No. 1/Golf/2009)**

To All Delegates more particularly Golfers attending the BHF Southern African Conference 2009: Sun City – 30 August 2009 – 2 September 2009

**RE: BHF GOLF CHALLENGE TOURNAMENT SPONSORED BY QUALSA: GARY  
PLAYER GOLF COURSE: SUN CITY: SUNDAY 30<sup>TH</sup> AUGUST 2009**

Those of you who joined our happy band of golfing enthusiasts at the Mount Edgecombe Course, Durban last year, will undoubtedly vouch for the fact that a truly enjoyable outing was thoroughly enjoyed by all whether you were a low-handicapper; an enthusiastic "hacker" or merely someone seeking a relaxed spot of exercise in magnificent surroundings.

Well, hold your breath as we have come up with yet another BHF/MHG/Qualsa Golf Challenge 2009 to be staged at the magnificent Sun City Gary Player Golf Course on Sunday 30<sup>th</sup> August 2009, a repeat visit to a venue which was so much enjoyed by all in 2007.

Come and join us and help set the scene for yet another successful Annual Conference having experienced the camaraderie of old acquaintances as well as many new friendships on the golf course.

Play will commence on Sunday 30<sup>th</sup> August 2009 with first tee off times at ± 08:00 in order to ensure that participants are afforded sufficient time to prepare themselves for the official Congress Opening Ceremony which is scheduled to be held later that evening followed by the official reception. To enable our golfing participants to applaud our winners in a convivial atmosphere the Golf Challenge Prize-giving Function will take place in the Gary Player Club House immediately upon conclusion of the Tournament. Consequently it is suggested that all participants make suitable arrangements to change at the Golf Club prior to setting off for the Conference Centre and on the way collect their accompanying spouses/partners.

Messrs MHG/Qualsa have again come to the party in a truly magnificent manner to enable us to stage the 2009 Golf Challenge Tournament in the format – Four Ball Alliance, best two scores to count except on the short holes where one best score will count. All golfing enthusiasts and those merely in search of fun and an afternoon of recreation will be able to pit their skills against the challenges of one of the most outstanding golfing venues in the world.

We are making provision for a non-negotiable maximum of 144 golfers (i.e. 36 X Four Ball Alliance Teams), 18 teams to tee off on the 1<sup>st</sup> Tee; and 18 teams on the 10<sup>th</sup> Tee. Consequently it is absolutely necessary that you furnish us with your entries as soon as possible but certainly no later than 13 July 2009 in order to ensure that no one is unnecessarily disappointed. Due to time constraints and to avoid backing up on the course we regret that no late entries will be considered except on a standby basis to replace a last minute withdrawal.

We are furthermore extremely happy to announce that, apart from the magnificent LA-Health Floating Trophy and accompanying absolutely unique miniatures that will be presented to each member of the winning team that Messrs. MHG/Qualsa are making available a series of very attractive and valuable prizes for the top six placed teams, apart from nearest the pin on the four short holes.

We have the greatest appreciation of the fact that the MHG/Qualsa sponsorship covers inter alia the cost of the following:

- Green Fees (18 holes)
- Caddy Fees – including caddy services, halfway house and tip
- Halfway House refreshments for golfers

➤ Lucky Draw Prize: Chronicare Medicines

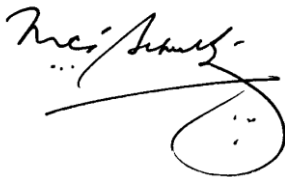

Having due regard to the interest that has been shown in past years in the outstanding lucky draw prizes sponsored by Chronicare Medicines we are happy to announce that this will happen again this year when an "exciting mystery lucky draw prize" will again be on offer. Even though you may not be successful in winning one of the six MHG/Qualsa prizes you will still have an equal chance to win a lucky draw prize. (Watch this space!!).

In order to enable us to arrange the appropriate draw and schedule of tee-off times it would be appreciated if interested delegates could fax the names and golf handicaps of their four ball alliance teams or individual entries together with preferred tee-off times (relative to expected arrival times in Sun City) for urgent attention to Mr. Michael Schultz on fax 021-5554721 or via email to [rdutoit@lahealth.co.za](mailto:rdutoit@lahealth.co.za) as a matter of urgency, preferably using the attached entry form. (Note: not more than two golfers with handicaps 12 and lower will be drawn together!) (maximum handicap for men 20 and ladies 26).

In conclusion our sponsor will again be providing each golfing participant with a souvenir golf shirt and, in order to ensure that we have a stock of sizes in accordance with the individual requirements of our golfers available, it would be appreciated if you would at the same time mark with a cross in the appropriate square on the attached schedule of shirt sizes referred to on the entry form. (Note: if you are unsure of your shirt size please use a tape measure and apply the criteria reflected on the schedule). (NB: We will be unable to guarantee your shirt size if we receive your entry and size later than Monday 13 July 2009).

Please make sure that you do not miss this wonderful golfing opportunity and experience.

Yours sincerely
